ANOTHER SUPERVISOR.

an Increase of the Public

Personal Rencounter between Gen. Howard and the Rev. Dr. Boynton.

"NOBODY HURT."

WASHINGTON, Nov. 24.-It is said the Presi- been moving their papers and effects to Jeisey Fullerton, in which he says McCulloch agrees It is believed now that the case before Judge with him that Fullerton is not in the employ of the Government, and need not expect re was continued till a late hour last night, to give the clique time to avoid a process of the Couri. Those who claim to know declare neration for his services in prosecuting whicky france, and in this connection the old rumor of McCulloch's retarement is revived. It is true the Secretary has thwarted the Pres to defraud the stockholders, though the ailent's wishes in this matter, as he has in leged fact of another large opposition interest, many others, but nobody believes he has the eve to request the Secretary's resignation. ti wart Gould. The war is likely to be waged caused much entprise and alarm among the members of the whisky ring. It is regarded resents when he shall appear before the

sident. That event is expected to take The Grand Jury in Ric mond, Va., which as been engaged in investigating the alleged which y frauds to which publicity was given by John K. Gilmer, report their inability to obtain the present of witnesses, and intimate that the charges are not well grounded. Mr. one t Richmond and a stantiate the charges

The statement that i'en rai Grant had written a fett r to General Slocum, recently elected to Congress on the Democratic tick t in New York, is without foundation. The en states that he never wrote to General Sloe m

The receipts for Customs and Internal Reve e during the present mouth have been very small, while the expenditures of the Govern It will be remembered that over #23,000,000 in coin were taken from the vaults of the Treaterest on the 5-20 bonds, hence the public

ticlpated, will increase toward the last of land's freedom. There is already a number of Senators and Representative in the city, all of them Radicals. Their first daty, which is most panetil iouely performed, is to call on Grant and congritudate him on the result of the election His headquarters now is the best place to ascertain the arrival of honorable gentleman arrived this morning with addices from Hong Kong to October 18th, and Yekohuma

THE OFFENSIVE ARTICLE.

ondly, providing for a like anunity to all other Tennessee women who shall, in future, be equally prolific. In its present chape the bill RICHMOND, Nov. 21 -11 Rives Pollard was bot and killed here to-day, on account of an attlele published by Pullard in the South re daughter of W II tirant, a wealthy tobacco nlst of this city.

About ten o'clock this morning, as Mr. Pol

lard was approaching the office of the Oplnion a shot was fired from an upper wind w of a house opposite, and Mr Pollard fell, plerced any lees whatever. This is now on its third by eleven buckshot, one of which entered bl-beart. He expired immediately. Mr. Grant, a brother of the young lady named, was found in the building from which the shot was fired, and was arrested and taken to prison, a doublebarreled gun, with one barrel empty, being

western part of the square. Loss, \$50,000.

A company has been organized here with ample capital to erect a large cotton factory in of very questionable type, and Pollard's chur acter is hardly so good as the character of his paper. He is a brother of E. A. Pollard, but has been even more violent and impracticable cations to-day that the Eric conspirators have

TENTAN DEMONSTRATION

LOUISVILLE, NEW ALBANY AND CHI-CAGO RAILROAD.

The Proposed Sale of the Road-Prob-uble Purchasers. Sixth street to Broadway at a freak-neck page, and just ahead of them tiew a lusty [From the Cincinnati Gazette, Nov. 24th.] rker, resonant with short grunts, but keen our more the foreclosure of a mortgage in ever of the bondholders of the first and comil Issue. The original stock of this company has been istually lost for a number of years, and the bird mortgage bonds have been considered qually worthless. The road has been, by refer of court, in the hands of trustees, in ball of the bondholders, and the present inpor is that the whole iz a good distance between himself and bis crisicis. Officers l'utnam and Reltz-, whose seat is in that neighborhood, seeing the sluguar chase, and at a loss to account for it, hail

ed the pursuers and pursued and commanded a general huit. They were not heeded, how ver, and they followed on at a rapid pace to ee what would be the result The plg, on reaching Broadway, turned down toward Seventh street, and on reaching the corner of Seventh suddenly stopped, lowsted his head, threw forward his cars, and for i few seconds lost himself in a deep study. The sound of approaching feet quickly roused sim though, and he bolted for the opposite slde of the street.

New, right ahead of Jüggy stood a little shoe-shop with a big glass window, and the hoemaker and part of his family were there, ven at that hour. As they sat chatting

cosily there came suddenly a crash of glass, the trust.

It is a pleasant fact, however, to record that and in hounced the freightened animal carry.

It is a pleasant fact, however, to record that cosity there came suddenty a crash of gimes, and in lounced the freightened anlmal, carry and terrar as he came, scattering the in mates, upsetting everything in his path, and smalls halthur in helpind the counter, where the door, shouted at the top of his voice for the police, and Officers Pendergrast and C onrton, with Putnam and Reitzs, quickly surrove him out into the street, when Mr. John

V. Simms, of Washington county, claimed dinapolis; the fourth, the Ohio and Misslesippl Interest, and after these that class of capitalists who are always on hand when a bargin is to be had.

The interests of the Michigan Central in the lice consist in the carrying trade eastward from New Albany as the point of contact with the Ohio river and the opening of a new and shorter line for St. Louis business and the invaluable coal of Indiana, by positing in the link of fifty miles from Crawfordsville via Rockville to Pans. Furthermore, the Michigan Central is using the franchises of the Louisville, New Albany & Chicago charter from Buffalo to Chirago, of, rather, that portion of this distance Memorial on the Subject In the Post-muster General.

The grn d jerv adjourned until Monday morn-g at 10 o'clock.

T Badical papers regenerally agrehat the mait, ry prestige of General Grant they can by this that the people of the outh re to be corred by the power of w rd actively employed, into a un-Imissive spirit, they are por ' ly correct nd, inc it ha kept Irc and and Poland in state of military subjection curing many enturie is not unlikely that it may be as de equally effective in this country But this, a te all, so very sal tarv'

The id a of forcing the Southern peop o sul mit to upcon titutional 1 gislation with a class of semi-burbaron- negroesis abominable to every one of a sound an 1 CRESTION is whether he will have control of cirtuous mind. It is a species of despotm that is namele s, on account of its un- while we rather hope he will ualified meanness. It is unstatesmanlike, aphilosophical and inhumane, even to the egrees themselves. Ther is so much aliurdity on its very face that the wonder is caw the people of the North can be de-

e sweet in the mouth, but it will prove to bitter in the belly. As little as the asses of the North suspect it, they are aying the foundation for the loss of their wn liberties. When the sword is the niuister of lyranny upon a part, il will con cleave the head of the whole nation.

the liberties of the South shall be ushed, the liberties of the North cannot The submission of the Union b le arbitrament of the sword was a fearful periment. But the submission of the ghts of the people, as citizeus and as tates, to despotism, is the last experiment hich fanatical and corrupt politicians can aske with the proud old Republic. It wil ot only call out the hidden antagonisms the bosoms of the American people, but will create new forces, and direct them gainst the genius of popular government But the experiment of governing by the word is the most perilons that a people

d the end may be the loss of all liberty. ishing to maintain democratic instit ous, can possibly institute. It is impossi te for the love and spirit of liberty to b military rule. The North may, for a n.c. maintain her popular institution ary government. While sacrificing the

hite man to the negro, she may, for a me maintain her rights. But it she persist, her own heart must become corrupt. er own conscience defiled, her own will debauched, and made the slave of lusts and crimes inconsistent with her own liberty. Curses, like chickens, come home to The wicked falls into the pit pressor ends by ruin of himself. The ty ant is caught in the net of his own de Ouce overleap the sacred barriers of

he Constitution, and it is difficult to get Once open the heart to the evi mirit of tyranny, and who shall evoreise t, if it is fonl within? No, no; there is uc the North but in preserving the iberty of the South. It the one falls, so nust the other. To the grave wherein i uried the liberties of the South must s e borne the liberties of the North, for se mites his brethreu shall be brought low; that the lawless spirit shall sooner or later ring forth its own puni-huncuis.

The Radical party are limatics. The pirit of fanaticism inspires them. This is les them dangerous even as men, but it enders them fearful instruments of ruin as retiod of tremendous convulsions to oper eyes of the people to their real aim me of their dreamy doctrines and visionar pirit of their pelities. But time will work stall things. Surely it cannot require much e North that they have off red enough t eir black Deity. If he cannot be proitiated with the blood that has bee ould be be rendered merciful by the augher of the nation? Let it be remen ered that the iden of conquest and of pro ming national unity by the sword belong antiquity and to despotisms. The geniuta as morally and politically wrong, an strict, the sword to the sphere of main aining constitutional government alon il beyond is illegitimate; and constitu ional government is nothing but the peop

oversing themselves Morion and Trumbull.

We find the paragraph above in our ow aper of vesterday morning, among ou egton, but, norwithstanding the very goo un prepared to indor e or accept the nclusions or inferences or hones expressed n.etimes received the righteons denuncia each of the time, if not more of the time re mistaken, we are bound also to give | good things. They have done more had bility, started out upon courses which, i

ersistently and bravely pursued, would av made them benefactors of the country down to a spirit that they did not believe Therefore we say that we do not cheris!

good from the early presence of Governo Lat u and Senator Trumbull at Washing We would somewhat rather see Mor the mourner's benches, and whom we can be and Trumbull there than Butler and Wilson and Phillips and Greeley, hul any very appreciable ground for discrimi

They Had Better Not. The bondholders and other Radical lead r- are insisting upon two measures in reand to the finances. They demand the commitment of the Government and the nation, first, to the payment of the 5-90 sonds in gold, a policy not require l, as hey themselves recognize, by any law; nd so ondly, au immediate return to specarry out these two measures or policie without conjuring up a storm that will things, they are among the most arrant

It is undoubtedly a fact that our people

degree, to the faults, errors, blunders and crimes of the Radical party in respect t he national finances. But let the terrible has cial calamity come, that would inevitich d y passes en its round to gi e there if Ale Radicals, and the Radical party will cis a pear before the breath of the people as 1 - 1 re; th' of the Lord. The Radicals by not better and rtake to bully destiny Cuha.

Cube has been, and is leadly governed in has be n a most tyra me hand dejotic gov rament over that island. She ha rawn nearly her whole revenu from tha of pressed i land, whilst Great Britain, cer-I awn from the Canadas crough to pay the spense of supporting them. But it is a grave question whether Cub ou d galn anything by be transferred

the Unite 1 State or not, or which is the I nited State: would gain anything by the rarsfer. The negro population of (-) . execce the white population four Ive feld, and, it Cuba hell beaunevel will nossess the smarine power three v by reason to this k that they will use their the white- than the nerves of san De the Ditlink that Cuba will not be of lut ly n gro-lon in tel regions I)

enough region of thit - rt already? 1 lt is stated that theneral Crant will sand officers and offices, but an important

The final illness of Rossinl was inden-cien of the lungs. About three weeks age distinguished beread so that he was obliged to take to his bed. On the 28th of Oct sher the ceived by it. But deceived they are, and so sweet is that deception that they are will ling to peril their own liberties in trying to clevate the negro to political power. It is not to be conceased that much of this until the last composition of Rossini, his petite masse the last composition of Rossini, his petite masse formed to be conceased that much of this unformation.

BURGLARS ARDUND. STOLEN GOODS.

Some of their Effectual and Ineffectual Work Monday Night.

The burglarious gentry have been plying cir avocation with great industry of late, On donday adolt and yesterday morning they

seem to have been especially thriving and significant. They were heard of in at least a local different places, but their most note-

orthy operations were confined to the cen-

terriou of the city. One of their most

rative calls was made at the residence of

Barry Coleman, No. 216 Third rtreet, be-

een Walnut and Chestmit. They enlered

rough a window of the dining-room, and as

rogues went about the other rooms will. Fully educated in their netarious

siness, they left their shoes below and made bein reconnoissance barefoot. Going, as if by stiret, into Mr. Coleman's family room

cep, with one of his children heslde

the golden opportunity, no doubt, the

ertain that they acted upon this view, at al

vents. It didn't take them a great while I

through the pockets of Mr. and Mrs. Col

ther articles of slight value, including a key to Mrs. Cideman's jewelry-box. Of course

he practiced thieves instantly iden-fied the key and with it

Exied the key and with it unlocked the box, in which there was five or

six hundred dollars' worth of jewelry, &c.

While they were pluudering Mrs. Coleman

had gone to murse a sick child. She heard the

r threw them down on the floor after rifling

made by a cat in the room, and did not go in

a examine. In the morning the above

rejected jewelry which was some of the most

and left in the hox. The unblashing scamps

had used matches from a hox in Mr. Coleman's

ocket with which to Illumine their dark

ecds. In fact, they were sublimely audacious

in the whole transaction. From the footprints

the midnight callers numbered four, one very

arge man, two medium sized men, and a small day. They went into the next house, occu-

ied by Mr. Coleman's sister, Mrs. Doni-an, and would doubtless have added

racly to their spoils but for the akefulness of Mrs. Danigan. The

istinctly saw their shadows upon the wall as

y way of the alley, they proceeded to Mr. W.

Extraordinary Adventure of a Couple of Detectives.

i hat was Found in a Trunk on the 9:10 Perry-bant.

For some time past, large quartities of stole ods have been passing across the Ohio to i city, from Jeffersonville, for the South-n market, and the detectives have been busy efforts to ferret out the various dealers are ots to and from which the ill-gotten i wever, seem to be old in such business auations which are being carried on. Night before last, Lieutenant Tracy, of 1

ler, believing they had got scent of somethin. aboard the ferryboat, which leaves defferson es to 10 o'clock, and awaited the arrival o assengers and haggag . While the boat was ying listlessely at the landing, their attention vas attracted by the rattling of a crazy old the steep, rock-rough levee; and, as soon as it part of its burden was two suspicious-looking individuals in big overcoats buttoned in a The most valuable looking of the trinkels. 'don't-ask-any-questions' sort of way, and some three hundred dollars' worth, and five that the other part of the load was a large. Collars in old coin, were transferred to the heavy-looking trunk, which seemed to be an hags of the maranders. Satisfied with this object of a good deal of quiet solicitude on hand they made oil without being detected. the part of the two mysterions men in the extra clothing. The vehicle was driven aboard. There was

eers had been looking for. They pounced

n it, and without heeding the protesta nes of the owners of the queer bag gage, quickunlocked and threw open the trunk. As they peered in, however, they suddenly started back. The trunk was not full of silks, or of eady-made trowsers. No, the moon had no wonder the officers started back in horror or there lay a hideons black corpse, with up undred and fifty dollars in any one month; turned face, and soiled with the earth of the erave from which it had been hastily remain It was the body of a colored girl, and had evidently been exhumed from a new burring reund and packed for the dissecting room The parties having it lu charge were imme contents were left at Jeffersonville when e bont started Yesterday the body was ville, and was identified as that of a black girl ho had been buried in the Putters' field of Monday at the public expense. It was, therethis jeians of Lonisville, and they were taken to ore a Justice of the Peace, and heavily fined.
